

New Hope Camp and Conference Center, Inc.
SCHOLARSHIP ASSISTANCE

It is our desire that no child be prevented from coming to camp because of financial need. New Hope Camp and Conference Center, Inc. receives limited donations to help families send their children to a week of camp. Assistance will be awarded from available funds, based upon each family's need, and on a first come first serve basis. Scholarships of up to 50% are ordinarily given.

To request a sponsorship please fill out the form below.

When a sponsorship is granted, the amount of funding will be deducted from the balance due. A confirmation letter will be sent to you. We also suggest that you seek financial aid from your church. Churches often have funds available to those who inquire.

We pray that your child will enjoy a fun and life-changing week at camp!
