March 04, 2010

Dear Friends of New Hope Camp and Conference Center,

As we write this letter to you we are watching last night's snowfall rapidly melt away. Perhaps the daffodils will be courageous now! It won't be long before we are all wishing for a cool dip in the pool. We hope that you will join us again, or for the first time, at the New Hope Pool. It is a fun way to spend the summer with friends and family.

We are offering our family pool pass that includes all members of a household at \$380 for unlimited swimming 7 days a week. We are also again offering monthly family passes. These passes allow all members of the same household swimming privileges for one of the summer months. We have a May/June pass for \$175; a July pass for \$155; and an August/September pass for \$145. Families can purchase one or more of these monthly passes as an alternative to the full summer passes. This option allows families who are out of town for large portions of the summer to enjoy the pool for the months they are here. Individual summer long passes will also be available for \$165. Guests swimming with pool pass holders will be charged \$5 per person per day and must accompany the pass holder.

Our summer camp, for children who are rising Kindergartners through rising 9th graders, will run from June 14 to August 13. Other group usage will be similar to years past. We will continue to manage pool use scheduling in order to provide a safe and fun environment for all. You should anticipate daylong camp use for lessons and free swim, along with usage by our retreat and conference groups. Our day camp will continue to have an all camp swim on Fridays from 3:30-4:30pm. We appreciate the cooperative efforts that all parties make when sharing the pool.

The pool season will open Saturday, May 29 and close Monday, September 7. As schools and universities begin in August **we will remain open with modified hours until Labor Day**. Please register in and out at the pool gate. All pool patrons, pass holders, as well as guests, must sign in and out each visit. Pool parking is near the white water tank and in the parking lot next to the pool. We now have additional parking near the playground. **Please do not drive between the playground and the bath house as there are many children running around this area.** Please review the pool rules found on our website. The rules will be enforced uniformly for everyone's safety and comfort. Also, in order to keep the bathhouse clean please be sure to pick up after yourself and report any problems to the pool staff or front office.

Please fill out and sign the enclosed application, and mail it along with the fee to the camp office. Thank you for your support of New Hope Camp and Conference Center, Inc. and we look forward to seeing you this summer. Our staff is ready to take your reservations for a group overnight retreat or daytime meeting. Please call the NHCCC office for more information about summer day camp or facility rentals.

Sincerely,

The New Hope Camp Team
